

Dear White Bluff Chapel family,

Thank you so much for the love you have shown to our family for the past several years. You have been such a blessing to us through your prayers, encouragement and financial gifts. God has taken us through many valleys as well as mountain-top experiences in this ministry. This past year has been especially encouraging with the completion of 19 oral Bible stories translated into Pame. We also submitted our alphabet for approval and continue working on literacy. ...for being so nice!

God is moving in the hearts of the Pame people and we are blessed to be a part of His work.

Thank you again!

Love,

The Toler Families
